

## Grand Cuvée Non Vintage

Seaview Grande Cuvée is the slightly sweeter version of Australia's largest selling sparkling wine, Seaview Brut. Grande Cuvée is a blend of quality grapes sourced from diverse vineyards in some of the country's best wine regions, to achieve a consistency of style. Many of these vineyards specialise in the classic champagne grape varieties and are located in cool climate regions, with Pinot Noir playing a major role in influencing the Seaview style. This fact alone enables Seaview to produce sparkling wines noted for their quality and affordability.

### Winemaker Comments

---

#### Vineyard Region

Sourced from major vineyards in South Australia.

#### Vintage Conditions

This is a non vintage wine.

#### Technical Analysis

##### Harvest Date

pH 3.24

Acidity 6.50g/L
