

LeoBuring

LEOPOLD DW U20 RIESLING 2017

Since 1945 Leo Buring has established a reputation as Australia's foremost maker of Riesling. At Leo Buring we only make Riesling. It is the grape variety that encapsulates everything we strive for; purity, elegance, time and place and the structure to age gracefully.

The goal of Leo Buring is simple; to make the best Riesling in Australia and Leopold is a premium Riesling that showcases the incredible Tasmanian Riesling style.

WINEMAKER COMMENTS PETER MUNRO

VINTAGE CONDITIONS

The 2017 vintage at White Hills Vineyard was characterised by a dry growing season and below average temperatures for January and February. Crop level were relatively low and disease pressure was minimal. All this resulted in full ripeness of fruit and harvest at an optimal time.

GRAPE VARIETY

Riesling

VINEYARD REGION

White Hills Vineyard, Tamar Valley, Tasmania

TASTING NOTE

Very pale colour with lifted floral and musk notes on the nose complimented with strawberry fruit characteristics. The palate is very even and generous with white peach and subtle lemon flavours, encased in a structural palate that should see this wine age gracefully for 10-15 years.

MATURATION

This wine was matured in stainless steel tanks for an extended period to further build texture and complexity.

TECHNICAL ANALYSIS

HARVEST DATE

21st April 2017

pH

3.00

ACIDITY

8.73 g/L

ALCOHOL

13.0 %

RESIDUAL SUGAR
