

# SAMUEL WYNN — & Co —

A WINE BORN OF EXPLORATION

## LAST RITES CABERNET SAUVIGNON

Samuel Wynn's life is a story for the ages, a tale of adventure, daring, risk and reward. Arriving in Australia with nothing more than what he could carry and a fearless spark; adventure beckoned.

The Samuel Wynn & Co range of wines celebrate the pivotal moments of the true story of Samuel Wynn. These are, but a taste, of that story. And his wine, a testament to a life of daring that would eventually find this journeyman emblazoned in winemaking history.

### TASTING NOTES:

This deep red Cabernet has hints of cassis and cinnamon that give way to concentrated blackberries and dark, plush fruit. It is medium to full bodied but balanced with natural fruit sweetness and spiciness from the clever use of oak.
