

YELLOWGLEN

Always sparkling

Yellowglen Botanic Series Prosecco

PROSECCO: Wrapping herself in a sea of florals, the Yellowglen woman celebrates the beauty and joy that flowers bring. Our delicious Botanic Series Vintage Prosecco captures the fresh, crisp flavours of the Prosecco style. A refreshing sparkling with crisp lemonade and a zesty finish. It is the perfect addition to any occasion.

TASTING NOTE: Yellowglen Botanic Series Vintage Prosecco is reminiscent of crisp lemonade, with pear and green apple notes on the nose, a light and refreshing palate and lingering citrus characters.

WINEMAKER COMMENTS

VINTAGE: Following one of the coolest springs on record, with well average rainfall, vintage harvesting commenced slightly later than normal due to an unusually cooler December period. The harvesting of the 2017 Prosecco was delayed due to the cooler weather and due to it being a late ripening variety. The fruit had plenty of time to develop flavour and structure and resulted in good quality wine being produced.
